

# MARK TRAIL CLUB

## SWIM AT YOUR OWN RISK RULES AND HOURS OF OPERATION

- Mark Trail Club will be open for adult members to swim with their families and guests WITHOUT a lifeguard present between 6 am and 12 pm, Monday-Sunday (7 days a week). Please note from May 26-June 26, our Wavemakers swim team practices from 8:30 am – 11 am, so the pool inaccessible to members during those hours only.
- The pool WILL have a lifeguard on duty seven days a week from 12 noon – 9 pm. Regular adult swim times will still apply for 15 minutes every hour.
- The pool officially opens for the season Friday, May 22 at 3 pm. However, this week May 18-22, MTC adult members may use the pool without a lifeguard from 6 am – 5 pm for lap swimming or to swim with their families. MTC members must be out at 5 pm Mon-Thurs because Wavemakers swim practice begins at 5:30 daily.

## POOL RULES

Our top priority is to ensure the safety of our members and families and we appreciate your understanding of the importance in following the pool rules below and any additional rules that are added, especially during SAYOR hours.

- From 6 am – noon daily, NO ONE under the age of 21 is EVER allowed to enter the pool or gated pool area without an adult present who 21 or older. ALL babysitters and nannies must be 21 or older. ANY violation of this rule will result in your family's code being terminated and SAYOR privileges being revoked. (Minor babysitters are allowed to attend with children during lifeguard hours noon-9pm).
- EACH FAMILY has been given a unique code to enter the pool area. Use this code to enter between 6 am and noon. DO NOT reveal your unique code to your children or anyone in your family under 21. The gate is extremely easy to operate and a child with knowledge of his/her family's code would easily be able to access the pool area.
- Upon entering or leaving the pool, PLEASE make sure you close it each time and listen to make sure the lock catches. DO NOT prop or leave the gate open during SAYOR hours.
- The guard house will be locked during SAYOR hours. A phone has been installed outside the shack should you need to call 911 or make other local calls.

- The bathrooms are no longer locked with a key, but are instead latched so that members may access them during SAYOR hours. PLEASE make sure they are latched when you leave to ensure they stay clean for the next guest.
- The backyard gate will remain locked during SAYOR hours to ensure the pool area remains secure. If your child wishes to play on the playground, please escort them around the side of fence from the parking lot. Once lifeguard hours begin at noon, the gate will remain open.

### **OTHER RULES TO REMEMBER**

- While alcohol is allowed at Mark Trail Club, NO GLASS is permitted at any time.
- Any baby or not yet potty-trained child entering EITHER the baby pool or regular pool ANYTIME MUST wear a swim diaper covered by a cloth swim diaper covering (can be purchased from Target or bought for \$10 from the Snack Shack). Because fecal contamination results in the pool being closed automatically for 24 hours, we ask you to be vigilant in checking your child regularly and change diapers as needed.
- When lap swimming during SAYOR hours, please use the buddy system and arrange to meet a friend or swimming partner at the pool. We STRONGLY discourage anyone from swimming alone at any time.
- NO CHILDREN are allowed in the guard house at ANY time.
- The Snack Shack is open on a volunteer basis. We welcome you to open the Snack Shack for your child or other children when the guardhouse is unlocked. Please email Jennifer Lott [jenniferlott@yahoo.com](mailto:jenniferlott@yahoo.com) or call/text her at 410.913.0704 for the freezer code. Please lock it when you leave.
- PLEASE be respectful of other members and the Swim Atlanta staff and clean up after yourself. Make sure ALL trash is placed into the trash can or recycling containers immediately. Please leave the BATHROOMS and POOL AREA clean, as we do not have a cleaning person on staff.
